Dear [redacted]

STAT

Personally, and in behalf of all of us at the United States Mission to the United Nations who use and depend upon the Foreign Broadcast Information Service, may I offer my felicitations on the 30th Anniversary of the Service.

All of the monitors, translators, technicians, editors and officers of FBIS deserve the tribute of those of us who depend on their work. They have established over the years an enviable record of thoroughness, speed and accuracy. Their daily product and the compilation books contribute greatly to our work with the United Nations, in day to day tasks, as well as the times of crisis.

Please extend to all hands our appreciation of their work and the assurance that we remain their faithful readers.

Sincerely,

Charles W. Yost
